

**EC Declaration of Conformity
in accordance with the EC machinery directive 2006/42/EC
Annex II No. 1 Section A**

Exact business name

Full address of the manufacturer

Exact business name and full address of the authorized representative with head office in the EU

hereby declares that the machine designated in the following on the basis of its design and make and in its version put into circulation meets all relevant basic safety and health protection requirements of the EC machinery directive, including all amendments to it valid at the time of this declaration.

Machine designation/trade name

Function

Model/Type

Serial number

Date of manufacture

Furthermore, conformity to the following EC directives including all amendments to them valid at the time of this declaration is declared:

EU Directive of Electromagnetic Compatibility 2014/30/EU

only if applicable

EU Pressure Equipment Directive 2014/68/EU

EU Explosion Protection Directive 2014/34/EU

and other relevant EU directives

The following harmonized standards were applied:

EN ISO 12100:2010 Safety of machinery — General principles for design - Risk assessment and risk reduction

EN ISO 11161:2007/A1:2010 Safety of machinery - Integrated manufacturing systems - Basic requirements (if applicable)

EN ISO 13849-1:2015 Safety of machinery - Safety-related parts of control systems – Part 1: General principles for design

EN ISO 13849-2:2012 Safety of machinery - Safety-related parts of control systems – Part 2: Validation

EN ISO 13857:2008 Safety of machinery - Safety distances to prevent hazard zones being reached by upper and lower limbs

EN 60204-1:2006/A1:2009 Safety of machinery - Electrical equipment of machines – Part 1: General requirements)

EN 61000 Electromagnetic compatibility (EMC) — Generic standards

- **Part 6-1:2007** — Immunity for residential, commercial and light-industrial environments

- **Part 6-2:2005** — Immunity for industrial environments

- **Part 6-3:2007/A1:2011** — Emission standard for residential, commercial and light-industrial environments

- **Part 6-4:2007/A1:2011** — Emission standard for industrial environments

Relevant Type C standards

Other applied standards and specifications, if applicable.

Name and address of the person authorized to compile the relevant technical documentation. This natural person must be established in the Community.

Issuing place and date

Information on the person authorized to issue the declaration on behalf of the manufacturer or his authorized person.
